CAREER OBJECTIVE

B.Tech Computer Science graduate (78.9%) with PG-Diploma from CDAC Bangalore and 4 internships across Java, C++, and full-stack development. Experienced in designing distributed systems using Microservices Architecture, Spring Boot, React, and MongoDB with a live GitHub project. CBSE national-level sports achiever. Certified by Infosys Springboard and IBM. Seeking a software engineering or backend development role to contribute to scalable, production-grade systems.

INTERNSHIP EXPERIENCE

Java Development Intern — Cognifyz Technologies (AICTE & MSME registered) Jun 2024 – Jul 2024

- Implemented core Java programming tasks and backend logic assignments under professional mentorship.
- Received positive evaluation for dedication, communication skills, and attention to detail on completion.

Software Development Intern — Jobsense, Ujjain Jul 2023 – Aug 2023

- Completed 2-week intensive training on C++ and Data Structures (arrays, linked lists, stacks, queues). Rated Excellent on completion.

PERSONAL PROJECTS

Online Auction Platform — React • Spring Boot • MongoDB • Microservices [GitHub →](#)

- Architected the backend using Microservices Architecture, decomposing the system into four independent services — User Service, Auction Service, Bid Service, and Notification Service — each with dedicated MongoDB collections for data isolation.
- Built a real-time bidding engine with bid validation logic (anti-sniping rules, minimum increment enforcement) and auction scheduling via Spring Boot's task executor.
- Implemented JWT-based authentication with role-based access control for admins and bidders; secured all inter-service communication via RESTful APIs.
- Developed a React front-end with real-time auction status updates enabling users to browse items, place bids, and track results without page refresh.
- Designed MongoDB schemas with indexing strategies to support high-read bid history queries and maintain performance at scale.

Quiz Application — Core Java • Java Swing • Java AWT

- Developed a timed multiple-choice quiz engine with randomised questions, live score tracking, and immediate result feedback.
- Applied OOP principles — separated question bank management, UI rendering, and scoring logic into distinct components.

ACHIEVEMENTS & EXTRACURRICULAR

Sports — Rifle Shooting

CBSE Inter-School Air Rifle Championship — Participation — West Zone / National level, S.R. Public Sr. Sec. School, Kota (Ministry of Youth Affairs & Sports) Oct 2019

Divisional Rifle Shooting Competition — Represented school — Sambhag-Ujjain Inter-School Sports, Ujjain 2018–19

College — MIT, Ujjain

Videography / Reels Competition — 2nd Position — MIT Group of Institutes, Ujjain 2024–25

Photography Competition — 2nd Position — MIT Group of Institutes, Ujjain 2023–24

IIC Poster Presentation, National Science Day — Participated — Institution's Innovation Council (IIC), MIT Ujjain (Theme: E-Waste Management) Feb 2023

TECHNICAL SKILLS

Languages: Java, C++, JavaScript, SQL, HTML, CSS
Backend: Spring Boot, Microservices Architecture, REST APIs, Spring Security, JWT, Hibernate
Frontend: React.js, Java Swing, Java AWT
Databases: MongoDB, MySQL, NoSQL
Methodologies: Agile, Scrum
Developer Tools: Git, IntelliJ IDEA, Eclipse, VS Code, Postman
Concepts: OOP, Data Structures & Algorithms, System Design, Service Decomposition

CERTIFICATIONS & TRAINING

Infosys Springboard		
Java Foundation Certification	Infosys Springboard	Apr 2026
Programming using Java	Infosys Springboard	Apr 2026
Data Structures & Algorithms using Java	Infosys Springboard	Aug 2024
Introduction to NoSQL Databases	Infosys Springboard	Apr 2026

EDUCATION

PG-Diploma in Advanced Computing	CDAC, Bangalore	Aug 2025 – Feb 2026	69.13%
B.Tech - Computer Science Engineering	-Mahakal Institute of Technology, Ujjain	2021 – 2025	78.9%
SSC / 12th (PCM)	Shree Mahaveer Higher Secondary School, Alote (CBSE)	2021	69.2%
HSSC / 10th	Shree Mahaveer Higher Secondary School, Alote (CBSE)	2019	61%

PERSONAL DETAILS

Date of Birth: 01 November 2004
Languages Known: Hindi (native), English (professional)
Hobbies: Rifle Shooting (Divisional & CBSE National level), Photography (2nd position, MIT), Travelling
